

SURGE MASTER™

Surge Protector

Keep your electronic devices protected from dangerous power surges and spikes with the Belkin SurgeMaster Surge Protector. Simply plug the surge-protection strip into any AC wall outlet and connect up to six devices to keep them safe from power surges, lightning strikes, and AC contamination. Ideal for laptops, DVD players, gaming consoles, speakers, and other medium-sized electronics, the SurgeMaster Surge Protector is made with high-quality circuitry and premium absorptive materials to protect your devices and irreplaceable data.

- SurgeMaster Surge Protector

SURGE MASTER™

Surge Protector

The Belkin SurgeMaster Family

SurgeMaster protects connected devices from damage resulting from voltage fluctuations and surges in electricity, such as lightning strikes and power failures. Surge protectors can prevent costly repairs and loss of valuable data in the event of a surge and prolong device life expectancy by blocking smaller fluctuations over time. A Connected Equipment Warranty protecting connected devices provides added peace of mind.

The Belkin SurgeMaster Family Characteristics

- Three-line AC protection (hot, neutral, ground)
- Multiple protected ports

The Belkin Difference

- Pioneer in innovation and technology for over 35 years
- #1 third-party maker of wireless charging accessories*
- Extensive testing procedures guarantee quality and durability

Technical Specifications

- 6 outlets
- 2m/6.6 ft. power cord
